

CTOM SPON ZONE Problem
Scrimmage Warm Up

Judge: Preparation:

- Set a table with five chairs for competing team members.
- Provide a copy of the problem instructions on the table for the team members.
- Give each participant 6 cards (30 in all)

Judge Instructions:

(Judge: When team members enter the room, tell them)

This is a verbal problem. You have 1 minute to select the five team members who will compete. The others must sit in these seats and watch or be escorted from the room. They may not assist in solving the problem and may not talk.

(Judge: After 5 Team Members Chosen and seated, Read all the instructions, repeat, then Start the Time)

1. You will have 2 minutes to think and discuss the problem, followed by 3 minutes to respond. You may ask questions; however, time will continue. Do not talk to each other during response time.
2. You will receive 1 point for each ordinary response and 5 points for each creative or humorous response
3. Once time begins, it will not be stopped, even if a judge asks you to repeat a response, clarify it, or give a more appropriate response. Speak loudly and clearly.
4. Each of you has 6 cards. You may respond in any order. After giving a response you must hand a card to the judge. You may not share your cards. When you are out of cards you may no longer respond.
5. Last week the school called and said that the temperature for the Spontaneous Scrimmage, in February, must remain at 55 degrees, unless someone can suggest a way save on fuel costs at the school. Your problem is to describe solutions to this problem so that the Scrimmage can occur. For instance, you might say "Have school four days a week in February and six days a week in April

(Judge: Repeat all the instructions, then Start the Time)
