

CTOM SPON ZONE Problem
Some Prize Vacation

Judge: Preparation:

- Set a table with five chairs for competing team members.
- Provide a copy of the problem instructions on the table for the team members.

Judge Instructions:

(Judge: When team members enter the room, tell them)

This is a verbal challenge. You have 1 minute to select the five team members who will compete. The others must sit in these seats and watch or be escorted from the room. They may not assist in solving the problem and may not talk.

(Judge: After 5 Team Members Chosen and seated, Read all the instructions, repeat, then Start the Time)

1. You will have 1 minute to think and 3 minutes to respond. You may ask questions; however, time will continue. Do not talk to each other at any time
2. Once time begins, it will not be stopped, even if a judge asks you to repeat a response, clarify it, or give a more appropriate response. Speak loudly and clearly.
3. Your team will respond in the order of the cards on the table, once time begin the Judge will turn over a card with the # of the first person to respond. Once you have answered, turn over the card with the # of the next person to respond. You may not skip your turn, repeat an answer or pass. If one member of your team is stuck, then the others must wait for that team member to answer.
4. You will receive 1 point for each common response. Highly creative or humorous responses will receive 5 points. This will be a subjective decision of the judges and the judges' decision is final.
5. Your team has just won a two week summer 'Vacation' to Sometown which is just like where you live, except in Sometown it snows from noon to 6pm every day, there is no electricity, and everyone walks looking backward? Your challenge is to answer the question "What would you do for fun in Sometime that you could not do at home, or what couldn't you do that you normally do on vacation? For example you might say: "I would not be able to complain that it was too hot at the beach all day".

(Judge: Repeat all the instructions, then Start the Time)
