

Domin Oh!

Judge: Preparation:

- One set of Dominos
- A tape measure, yard stick, or folding ruler.

Judge Instructions:

(Judge: When team members enter the room, tell them)

This is a hands-on challenge. You have 1 minute to select the five team members who will compete. The others must sit in these seats and watch or be escorted from the room. They may not assist in solving the problem and may not talk.

(Judge: After 5 Team Members Chosen and seated, Read all the instructions, repeat, then Start the Time)

You have a set of Dominos on the table in front of you:

- Your task is to place as many Dominos together as possible in a small space as possible
- Dominos must be placed next to each other such that the number of dots on the touching ends of each pair of touching Dominos match. *(Judge: Demonstrate two touching end to end and making an "L".)*
- All Dominos scored must be touching at least one other domino.

You will have 3 minutes practice and discuss and 5 minutes to connect the Dominos

Scoring

- The judges will score 3 points for each domino correctly placed next to other Dominos.
- The judges will score -5 points for any domino incorrectly touching another Domino with a different number of dots.
- The judges will measure the distance between the two farthest apart Dominos and subtract 1 point for each $\frac{1}{2}$ inch of separation.
- You will receive from 0 to 10 points for teamwork

You may ask questions at any time, time continues.

(Judge: Repeat all the instructions, then Start the Time)
