

2022 Tournament COVID-19 Safety Procedures

CTOM is dedicated to providing participating teams with a full Odyssey of the Mind experience, and as of now we plan to have an in-person tournament at SCSU on March 19th, 2022.

Safety will be our utmost priority, and we will adhere to the SCSU COVID-19 policy, which currently requires masks, social distancing, and proof of full vaccination status or negative test within 48 hours from every person in attendance. Audience attendance at the tournament will be restricted. In addition to the team coach and co-coach, each team member may be accompanied by a maximum of 2 spectators. All in attendance must self-monitor for symptoms on tournament day.

Additional details on providing the necessary documentation and navigating the tournament check-in process will be shared with coaches, judges, and volunteers via email in the coming weeks.

Please contact [Dave Schaller](#), our tournament COVID-19 coordinator, with any questions and check our website frequently for updates as we respond to any changes in SCSU's COVID-19 policies.

We look forward to your support in running a safe, enriching tournament event.
